E-Z-GO DIVISION OF TEXTRON INC., 1451 MARVIN GRIFFIN RD., AUGUSTA, GEORGIA USA 30906-3852

GENERAL INFORMATION

To obtain a copy of the limited warranty applicable to the vehicle, call or write a local Distributor, authorized Branch or the Warranty Department with vehicle serial number and manufacturer code.

The use of non Original Equipment Manufacturer (OEM) parts may void the warranty.

Overfilling of batteries may void the warranty.

BATTERY PROLONGED STORAGE

All batteries will self discharge over time. The rate of self discharge varies depending on the ambient temperature and the age and condition of the batteries.

A fully charged battery will not freeze in winter temperatures unless the temperature falls below -75° F (-60° C).

As with all electric vehicles, the batteries must be checked and recharged as required or at a minimum of 30 day intervals.

NOTES

HOW TO USE THE SERVICE PARTS MANUAL

This manual is divided into several sections:

- GENERAL INFORMATION
- ILLUSTRATED PARTS BREAKDOWN
- APPENDIX

The first section, GENERAL INFORMATION, contains the following information:

- WARRANTY INFORMATION
- GENERAL INDEX
- HOW TO USE THE SERVICE PARTS MANUAL

The second section, ILLUSTRATED PARTS BREAKDOWN, contains illustrations and parts lists for all systems of your vehicle.

The third section, APPENDIX, contains a listing of specialty products and accessories.

USE OF THE MANUAL

To use this manual, consult the GENERAL INDEX to locate the information or illustration required.

Introduction of some revisions varies due to supply of components; therefore, it is possible that various combinations of components may be found that are not directly reflected by each illustration. Consult the illustration that best suits your situation and then contact the Service Parts Department. It is important that the serial number of your vehicle and its model number be supplied to Service Parts when ordering any replacement components.

Locate the serial number plate (see BODY located in the Illustrated Parts Breakdown section of this manual for its location) and note the complete number shown on the plate.

HOW TO USE THE SERVICE PARTS MANUAL

1. WHEN THE PART NUMBER IS NOT KNOWN

- Determine the function and application of the part required. Turn to the General Index and select the most appropriate title.
- Turn to the page number indicated and locate the desired part on the illustration.
- From the illustration, obtain the item number assigned to the desired part. Refer to the accompanying description for specific information regarding the part.

2. IF YOU KNOW THE PART NUMBER

- Locate the part number or description in the appropriate column on the parts list page.

NOTE: It is suggested that you confirm that the part selected is correct by verifying it with the pictorial representation on the illustrated page.

Should an asterisk (*) appear in the part number column on the parts list page, read upwards until a part number is found. The part number is the lowest assembly sold by Service Parts and the asterisk (*) indicates that the part depicted is not available for purchase.

NOTE: Descriptions are indented under the assembly that they are used on. That assembly is, in turn listed under the assembly that it is used on. This process is repeated until the highest final assembly is reached.

To facilitate the maintenance and repair of the vehicle, a Technician's Repair and Service Manual is available from the Service Parts Department.

HOW TO USE THE SERVICE PARTS MANUAL

3. COLOR CODE FOR BODY COMPONENTS

The last two digits of the part number for the body part will denote the color code, locate the part number for the cowl, rear body, seat pod, side panel or seat wrap then locate your color in the list below, replace the last ** or XX with the two digit color code.

<u>CODE #</u>	<u>DESCRIPTION</u>	<u>CODE #</u>	<u>DESCRIPTION</u>
01	NO PAINT	53	MOSSY OAK NEW BREAK UP - DIPPED

ACCELERATOR

1 ACCELERATOR PEDAL ASSEMBLY includes items 2 - 6

When ordering parts, please specify the model and serial number of the product.

* Indicates a component that is not available as an individual part.

*** Indicates consult Customer Service Department for additional information.

ITEM	PART NO.	1 2 3 4 5	DESCRIPTION	QTY.
1	626138		ACCELERATOR PEDAL ASSEMBLY (INCLUDES ITEMS 2-6).....	1
2	612889		ACCELERATOR PEDAL MOLEX SWITCH	1
3	620030		SOCKET HEAD CAP SCREW, M5 - 0.8 X 10.....	2
4	600019		ROTARY POSITION SENSOR.....	1
5	600543		BUTTON HEAD TORX BOLT, M4 - 0.75 X 12	2
6	610529		ACCELERATOR PEDAL PAD	1
7	606277		BOSS SCREW, M6 - 1.0 X 25	3
8	614393		ACCELERATOR PEDAL INSERT.....	1

Notes:

This image shows a full page of blank graph paper. The grid consists of thin, light gray horizontal and vertical lines that intersect to form small squares across the entire surface. There are no margins, text, or other markings on the paper.

Notes:

A full-page sheet of white graph paper featuring a uniform grid of thin, light gray horizontal and vertical lines. The grid consists of small squares covering the entire area of the page.

Notes:

This image shows a full page of blank graph paper. The background is a very light gray, and it is covered by a precise grid of thin, medium-gray lines. The grid consists of small, equal-sized squares that extend across the entire visible area of the page, providing a standard template for technical drawing or mathematics.

When ordering parts, please specify the model and serial number of the product.

* Indicates a component that is not available as an individual part.

*** Indicates consult Customer Service Department for additional information.

ITEM	PART NO.	1 2 3 4 5	DESCRIPTION	QTY.
1	618726		FRAME WELDMENT	1

46	609427		22" WIPER BLADE	1
47	612895		NYLON TUBE.....	1
48	21830G1		BRAKE DRUM WASHER, .76"	1
49	613286		FLAT WASHER, 1.313 X 0.615 X 0.145	2

Notes:

This image shows a full page of blank graph paper. The grid consists of thin, light gray horizontal and vertical lines that intersect to form a uniform pattern of small squares across the entire surface. There are no margins, text, or other markings present.

Notes:

This image shows a full page of blank graph paper. The background is a very light gray, and it is covered by a precise grid of thin, medium-gray lines. The grid consists of small, equal-sized squares that extend across the entire visible area of the page, providing a standard template for technical drawing or mathematics.

WHEELS AND TIRES

1 WHEEL & TIRE ASSEMBLY includes items 2, 3 & 4

7 WHEEL AND TIRE ASSEMBLY includes items 8, 9 & 10

WHEELS AND TIRES

When ordering parts, please specify the model and serial number of the product.

* Indicates a component that is not available as an individual part.

*** Indicates consult Customer Service Department for additional information.

ITEM	PART NO.	1 2 3 4 5	DESCRIPTION	QTY.
1	623904		WHEEL & TIRE ASSEMBLY (INCLUDES ITEMS 2, 3 & 4).....	1
2	614246		KENDA RADIAL PRO TOUR TIRE, 205/50 R10.....	1

13	614837		WHEEL SPACER.....	4
14	624213		CUSHMAN HUB CAP DECAL	4

Notes:

This image shows a full page of blank graph paper. The background is a very light gray, and it is covered by a precise grid of thin, medium-gray lines. The grid consists of small, identical squares that extend from the top edge to the bottom edge and from the left edge to the right edge of the page, leaving no margins. There are no markings, text, or other features on the paper.
